“Invest in  
Technology, so  
Technology  
invest for you”

## Professional Background

Yuan Ting Jing is the COO and co-founder of Ted Optimus Sdn Bhd, notable for being the first Bursa licensed Information Vendor that leverages AI-powered stock analysis capabilities. He played a pivotal role in conceptualizing the award-winning stock analytics software, Trade Wizard. TJ is a CFA charterholder since 2020 and a CQF delegate since 2022. His earlier career included positions such as a research analyst at The Edge Markets, where he covered sectors like poultry and cement, and a proprietary day trader for Hong Kong structured warrants at Kenanga. Additionally, he has experience in the Digital department of the Securities Commission. He earned his BSc. (Hons) in Finance and Investment from Tunku Abdul Rahman University of Management and Technology (TARUMT).
